September Program

ANNUAL COUNTRY STORE!

Here are the final, definitive details about the Country Store from our President. The Country Store will be held on our regular meeting night, September 25th. This a good chance to get rid of extra plants, pots, art or anything else you would like to donate to the club. There will be five categories of items to be given away in drawings: cacti, succulents, pottery, miscellaneous (art, books, needlework, etc.), and edibles (baked goods, garden produce, etc.)

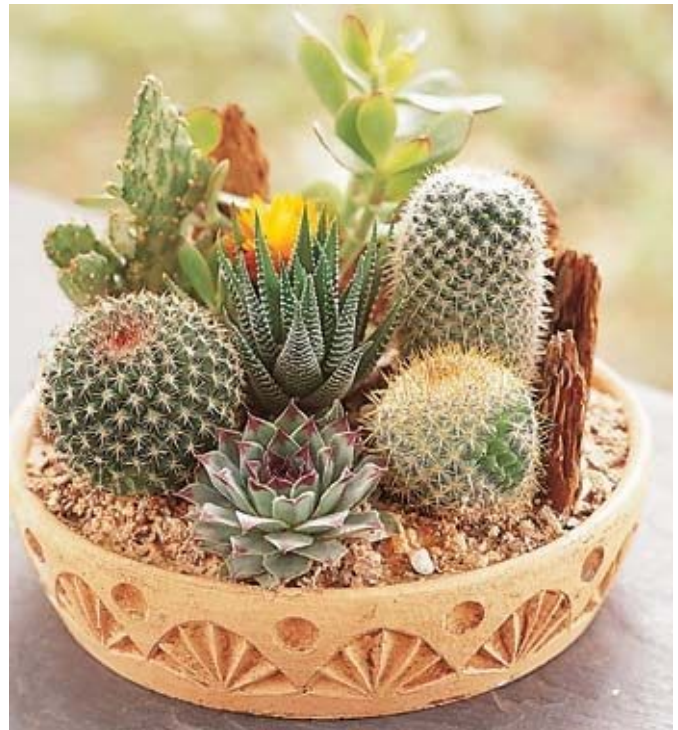

Each station will have a bucket for tickets. **BE SURE TO PUT YOUR TICKETS IN THE PROPER BUCKET!** You can only receive items from the station where you've deposited your tickets.

In addition there will be a table in the front of the room for silent auction items. If you have an item, or items, you consider of extra value you can put them up for silent auction. Each item will have a bid slip and people can enter bids if they're interested. The highest bid at the end of the evening gets the item. This auction can include any type of item—plants, pots, art, etc.

This is a fundraiser for our club with proceeds supporting future activities such as the Christmas Party, so be generous!

THERE WILL BE NO MINISHOW AT THE COUNTRY STORE.

P.S. Volunteer ticket callers are needed at all tables but the Silent Auction. Just show up and request the table/area you want.
