May Program

Summer is here and we kicked it off with a bang! A big shout out of thanks to all the helpers and our great plant and pottery sellers who made the 63rd Annual Show and Sale our best ever! We had approximately \$141,000 in total sales of which our sellers get 80% and SCSS gets the rest (less expenses). Greg will have a report at the meeting Monday.

For Monday's meeting we are going to have a different format to discuss the show. We will discuss what worked and what could be improved for next year? Carole will let us know about new members who joined at the show.

We'll also discuss planning some field trips as well as member open garden visits. Be sure to bring your calendars for all the exciting upcoming events. Lastly, we will get to see the progress on the demonstration garden.

There will be plants for sale but no drawing. Refreshments will be provided but we welcome anyone who can bring potluck entrees such as casseroles and salads, so we can have dinner while we discuss the show and celebrate!

I hope you can join us Monday!

Happy gardening,
Mariel
